## THE UNITED METAVERSE MULTIMETA UNIVERSE BENEFITS

At the stage of Alpha-version and internal development, we suggest that you familiarize yourself with the benefits of combining the metaverses functionality into a single one, as well as a roadmap for improving products.

### Earn at the creation stage

Become a deposit partner, active leader or Meta stakeholder, and get early access to the MultiMeta metaverse while still in development.

### Bonus program

Become a leader and build a team. Earn on referral bonuses, commissions from profits for buying shares and activating new statuses.

### Communication with loved ones

Invite partners from all over the world to become a metauniverse member at the Pre-launch for personal communication in an online meeting or your partner to make money on the company's products.

### Acceptable access price

Get early access to the metaverse for the price of 1 Meta, as well as access to the NFT marketplace depending on the leader status.

### Get profit now

At the Alpha and Beta development stages, we offer partners to earn money by selling access rights to the MultiMeta Universe.

### Meta shares Redemption at Pre-launch

Buy Meta shares now and earn on monetization from your own share growth of the MultiMeta Universe.

## MULTIMETA UNIVERSE

### WMA HOLDING MARKETING

Buy one of 8.046.949.318 WMA shares at the average price of WMA MultiMeta and get income from 0.8% to 2.3% daily.

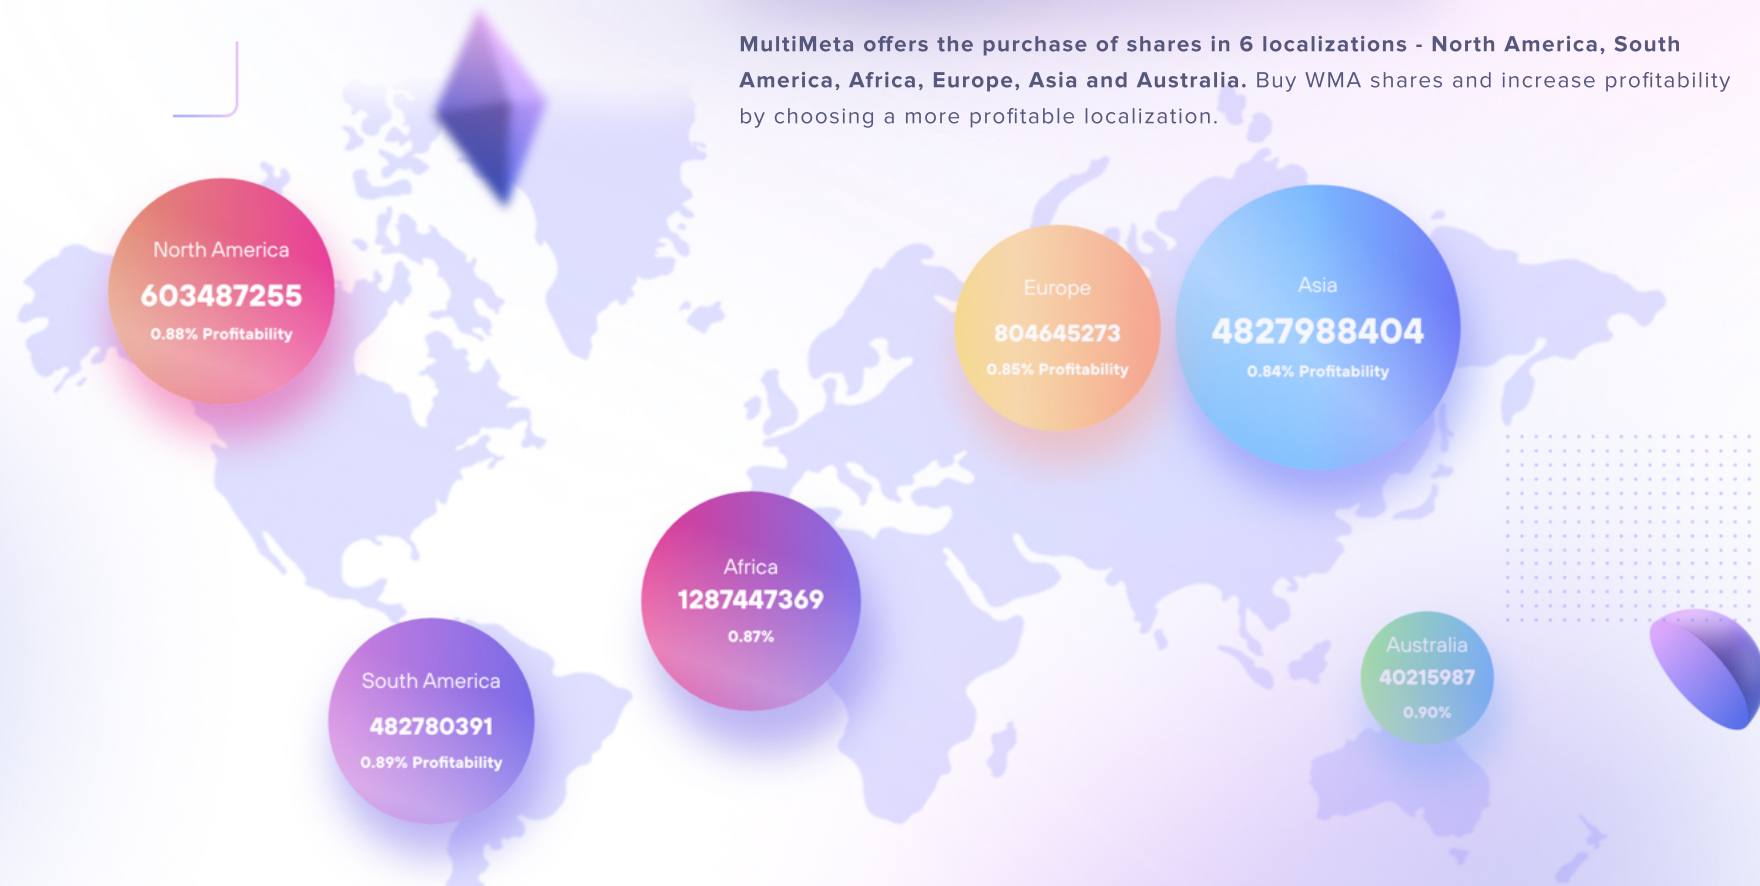

**8.046.949.318** shares WMA

MultiMeta offers the purchase of shares in 6 localizations - North America, South America, Africa, Europe, Asia and Australia. Buy WMA shares and increase profitability by choosing a more profitable localization.

## Floating interest rate

The floating percentage of accruals for localizations depends on the state of redemption of shares in the corresponding region of the metaverse.

Interest for active shares is calculated in proportion to the difference in profitability relative to the amount and size of the purchased case and starts from the percentage of profitability indicated on the localization map for Case 1.

Increase your income by storing WMA shares in an income account with an interest rate of 5.0% per week.

The mandatory period of storage of WMA shares on the income account for accrual of profit for storage is 7 days.

In the event that any amount of WMA is withdrawn from a profitable account to a free account before the 5% yield is accrued, the prospect of the corresponding yield will be canceled.

To sell WMA shares internally, use the function (sell WMA) and get:

3% return of purchased shares in 1 month;  
5% return of purchased shares in 2 months;  
7% return of purchased shares in 3 months;  
9% return of purchased shares in 4 months;  
11% return of purchased shares in the 5th month;  
13% return of purchased shares in 6th months;  
15% return of purchased shares in the 7th month;  
17% return of purchased shares in the 8th month;  
20% return of purchased shares in the 9th month;

The total period for returning the body of purchased shares in case of a smooth sale of WMA is 9 months (excluding Cashback).

MultiMeta Universe guarantees the liquidity of shares for early withdrawal: early return of shares guarantees the compensation of purchased WMA minus 1 WMA partner share (for membership in the metaverse) as a percentage:
